COLORED BURGLARS HELD TO GRAND JURY

Many Compliments for Local Police in
Running Stanifer Store Robbers
To Earth So Quickly.

Alonzo Harvey and Jarity Jones, the colored boy who confessed to robbing J. S. Stanifer's store one night last week, were held to the grand jury under \$500 bond each by Judge Murray Smith in police court this morning. They were unable to give bond on the charge of housebreaking against them and will wait in jail until court convenes again.

The clothing which they took from the store has not been recovered. The boys say they left it at a house in which they were rooming here and officers are looking for a couple of other boys who left town soon afterwards also.

The work of Chief Devore and other local officers in running to ground these criminals so quickly is being complimented on all sides. After the bloodhounds had trailed to the railroad, the day after the crime was discovered, many thought that the robbery was the work of out-of-town burglars and that the guilty parties would never be discovered. Chief Devore did not give up, however, but with his efficient force went quickly to work. The officers learn that a little negro girl had taken a suit case to the postoffice to be mailed. They began questioning her and soon the whole thing came out.

Chief Devore learned that the two colored boys had gone to Covington. He caught a train and followed them. There he trailed them to Newport, and was hot after them. Accompanied by an officer there he followed them to the house, and when the officers went in, the men were in bed, apparently asleep. The chief turned his flashlight on them. He struck Alonzo, who sat up and rubbed his eyes. The chief told him to get up. Alonzo didn't ask any questions or object. He turned to Jarity and said:

"Might as well get up, Jarity. Here's Mr. Claud, and tain't no use asking what he wants."

The Jones boy admitted that while working at the Madison Garage on Second street, he had learned that he could easily break into the rear of the Stanifer storeroom.

Why Not Hang A Few

(By Associated Press)

Washington, March 28—Attorney General Palmer disclosing today that about 4,000 enemy aliens were interned during the war, said 600 are considered harmless and will be paroled. The others will be repatriated and 900 dangerous persons will be held indefinitely, including 200 members of the I. W. W., or anarchistic organizations whose cases will be referred to the Department of Labor with a view to their deportation.

YANKEE TROOPS FOIL BOLSHIEV

When Effort Is Made By Spartans
To Arm Russian Prisoners—Lenine
Promises Money To Hungarians.

(By Associated Press)

London, March 28—Bulletin—American troops looking after Russian prisoners in Germany are believed to have nipped in the bud an important Bolshevik plot, according to a Berlin dispatch. The Spartans in Spandau, the message states, planned a big uprising for Thursday, intending to arm several thousand Russians from the Bubleben camp.

The Americans, however, rushed the Russians on trains Wednesday night, scattering them under American guns throughout Germany. The Spartans intended to spring their revolt as a means of aiding the Hungarians in their Bolshevik move.

"SIS HOPKINS" TONIGHT

Rather than a series of laughable incidents with the semblance of a plot somewhere between them, "Sis Hopkins," the new Goldwyn Picture in which Mabel Normand stars at the local Theatre tonight, tells a consistent story in which are suspense and even thrills.

Sisaretta Hopkins—called "Sis" for short—has an old, rheumatic father to whom she is devoted. They live on a run-down farm in the town of New Harmony and barely make both ends met. As everyone knows, Sis is a gawky hoyden, up to all kinds of mischief, but she is lovable as well.

Through an accident Vibert, the town's richest man, thinks there is oil on the Hopkins land and he sets about to so ingratiate himself with Sis and her pa that they will "sell it" to him for a song. He sends her to the local seminary to be "educated" and of course, the girl's exploits there are amusing beyond description. Vibert's patronage arouses the ire of Ridy Scarborough, who really cares for Sis. How it all untangles itself and how the shrewdness of Sis enables her to sell the worthless Vibert and bring Ridy to her—all this is told in Mabel Normand's inimitable manner.

Why Colds Are Dangerous.

You are often told to "beware of a cold," but why? We will tell you: Every cold weakens the lungs, lowers the vitality and paves the way for the more serious diseases. People who contract pneumonia first take cold. The longer the cold hangs on, the greater the danger, especially from the germ diseases, as a cold prepares the system for the reception and development of the germs of consumption, diphtheria, scarlet fever and whooping cough. The quicker you get rid of your cold, the less the danger of contracting one of these diseases. Chamberlain's Cough Remedy has a great reputation as a cure for colds and can be depended upon. It is pleasant to take.

RICHMOND AND THE ROAD TAX

Every citizen of the City of Richmond should carefully consider the interests of the city in casting his vote tomorrow on the proposition to levy an additional tax on each \$100 worth of taxable property to improve the roads of Madison county.

It is a fact that people go to towns to trade into which lead the best improved roads. The city of Richmond and the business interests of the city make their living by the trade which they get from the county. It will greatly improve the city of Richmond as a business place to maintain and improve the roads leading into the city from the various sections of the county. In addition to the fact that we will hold the trade of our own people by this means, we will also attract business of every kind from the surrounding counties.

The main argument against this tax has been that we are already taxed enough, but this is not a tax. It is an investment, every dollar of which is expended on the roads and from which Richmond's business houses will reap the greatest benefit.

The added tax is very small on each individual, and the stimulation to business in the city from the expenditure of the money of the laboring people

and the improvement of the roads will more than compensate the merchants, business people and workmen for the amount of tax paid.

This is simply a business proposition. Madison county has invested in improved highways about \$2,000,000. They must be kept in repair or they will be worn to mud roads. There are at this time about 1,600 automobiles in the county, compared with 500 three years ago. The money raised by this tax will be expended in the ditching, repair, and rebuilding of the roads. The automobile owners will save annually in tires alone more than the additional tax.

There are in the city large and growing tobacco markets, wholesale groceries, flouring mills and many retailers of various classes of goods, all of whose interests will be materially benefited by road improvements. If this business is to be maintained and expanded it can only be done by maintaining and improving our county roads.

By her vote Richmond will say to the people of the county whether or not she is in favor of improving the roads of the county, and helping to pay for them.—Contributed.

NOISE OF CHILDREN AT PLAY DISTURBED HER

Kentucky Woman Was Upset By
Least Noise Before Taking
Meritone.

"I was so nervous that the least noise upset me," said Mrs. Catherine Woods, of R. D. 8, Lexington.

"I couldn't stand for the children to play near me, on account of the noise they would make and I could hardly get any sleep at night.

Had Stomach Trouble.
"I had stomach trouble so bad that I could not eat meat or any kind of solid food without severe suffering afterward.

"At times the gas on my stomach would cause me so much pain that I thought I would die.

"Everything I would eat would just lay on my stomach and wouldn't digest at all.

I had been seeing Meritone advertised and decided to try it. Since taking it I can truthfully say that there never was such a good medicine as Meritone.

"I am not disturbed by any amount of noise that the children may make now, and I sleep much better.

"All the trouble with my stomach is entirely gone, and I can eat anything, digest it perfectly and never have any gas or pains in my stomach.

Meritone, the tonic of real merit, is being used with wonderful results by many people throughout the country, in correcting ailments of the system such as stomach, liver or kidney trouble, catarrh, rheumatism, sleeplessness, or lack of appetite.

Meritone is sold exclusively in Richmond by H. L. Perry and Son. It

Results Tell

There Can Be No Doubt About the
Results In Richmond.

Results tell the tale. All doubt removed. The testimony of a Richmond citizen can easily be investigated.

What better proof can be had? Mrs. Nelson Ross, 419 Laurel street, Richmond, says: "My kidneys were weak and I had pains through my back and across my kidneys. At times I was nervous and dizzy. Doan's Kidney Pills, which I got at Middleton's Drug Store, soon made me better. I have often recommended Doan's Kidney Pills to others and consider them a splendid remedy."

No Trouble Since.
Over four years later Mrs. Ross said: "I have had no return of kidney trouble since Doan's Kidney Pills cured me and I am always glad to recommend them, for I know they are a good kidney remedy."

ALL READY FOR ROAD ELECTION TOMORROW

People of Madison County Will Say
Whether They Want 20 Cent Ex-
tra Tax To Improve Highways

Madison county voters will say tomorrow, Saturday, the 29th, whether they wish to impose a special tax of 20 cents on each \$100 worth of property for the purpose of reconstructing the roads and bridges of the county. The proposition, if carried, will be in effect for 10 years. It is estimated that the extra revenue required to put Madison's roads in tip top shape can be had in that space of time.

Much interest is being manifested in the election and those who favor the tax, declare that it has a splendid chance to carry now. The Fiscal Court submitted the matter to the people with only one dissenting vote, that of Squire Long. At the time the Daily Register erroneously said the court's action was unanimous. The members of the court have been endeavoring to give full information to the voters as to the disposition and apportionment of the fund that will be raised if the tax carries, and it is reported from many sections that many more are in favor of the question now than was the case two or three weeks ago.

Quite a number of Kentucky counties have voted this tax and advice from the State Road Department are to the effect that there is no dissension in any county over having voted it, the only complaint being that it is not sufficient. Most of the counties would now be glad to vote thirty or forty cents more tax, but they cannot do so under the present constitution. The counties which have voted the 20 cent tax so far, are: McCreary, Wolfe, Grant, Franklin, Muhlenberg, Letcher, Owsley, Owen, Nelson, Livingston, Pike, Estill, Carroll, Hancock, Carlisle, Martin, Shelby, Henry, Butler, and Fulton.

TREATY OF PEACE MAY BE SIGNED BY APRIL 20

"Big Four" of Conference Agree On
Important Points About Hun
Boundaries and Indemnities.

(By Associated Press)

Paris, March 28—Havas—Today's Paris newspaper discussing yesterday's session of the council of four—Wilson, Orlando, Clemenceau, and Lloyd-George—declare that extremely important problems connected directly with Germany's future boundaries were discussed by the council in an excellent spirit of understanding. The Matin says the problem of protecting France adequately was satisfactorily solved by a means not hitherto discussed outside the conference while the financial problems reported solved provides for annual payments by Germany of the indemnity, France's portion being sufficient to lighten her budget burden.

The hope was expressed in peace conference circles last night preliminary that the peace treaty might be signed by April 20th.

Here's That Suit Over School Books Contract

(By Associated Press)

Frankfort, Ky., March 28—E. B. Weathers, principal of the Franklin High School, today instituted mandamus proceedings in the circuit court to compel the State Text Book Commission to rescind its recent contracts on the ground they are illegal and to make new ones. He says the Commission failed to renew contracts in 50 per cent of the subjects at the old price.

Paris, March 28—Bulletin—A rumor was current here last night that the United States had received a note from Premier Lenine and War Minister Trotsky, of the Russian soviet government, asking recognition of government, says the Echo De Paris today. It adds "We cannot say that President Wilson is disinclined to give the request favorable consideration."

Victory Loan Terms Liberal

(By Associated Press)

Washington, March 28—Terms of payment of the new Victory Liberty Loan, announced today, are the most liberal ever offered by the government. Deferred payments may be extended over a period of six months from May 1st to November 11th. Secretary Glass announced 10 per cent will be due with application, 10 per cent July 1st, and four subsequent installments of 20 per cent each on or before August 12th, September 9th, October 7th, and November 11th.

To Work on Technical Details

(By Associated Press)

Paris, March 28—Bulletin—A council of Foreign Ministers and Foreign Secretaries of Great Britain, the United States, France and Italy, has been created to work simultaneously with the Premiers and President Wilson but on different branches of the great technical questions involved in the peace settlements. This action was taken in the interest of speed. It is believed they will consider the Italian and probably Russian questions as well as the feasibility of arranging a peace treaty to include all the belligerent nations.

Tendency to Constipation?

USE THIS LAXATIVE!

Dietitians advise a "careful diet," but that is troublesome to most people; physical culturists advise "certain exercises," which is good if one has both the time and the inclination. Doctors advise diet and exercise and medicine. The question is, shall it be a cathartic or purgative medicine? Or a mild, gentle laxative?

Thousands have decided the question to their own satisfaction by using a combination of simple laxative herbs with pepsin known to druggists as Dr. Caldwell's Syrup Pepsin. A small dose gives a free, easy movement of the bowels. It is the best substitute for nature herself. In fact, since the ingredients are wholly from the vegetable kingdom it may truthfully be said it is a natural laxative.

Its positive but gentle action on the bowels makes it an ideal remedy for constipation. The dose is small, and it may be taken with perfect safety until the bowels are regulated and act again of their own accord.

The druggist will refund your money if it fails to do as promised.

PRICE AS ALWAYS

In spite of greatly increased laboratory costs due to the War, by sacrificing profits and absorbing war taxes we have maintained the price at which this family laxative has been sold by druggists for the past 26 years. Two sizes—50c and \$1.00.

Don't Let Catarrh Drag You into Consumption

Avoid Its Dangerous Stage.

There is a more serious stage of Catarrh than the annoyance caused by the stopped-up air passages, and the hawking and spitting and other distasteful features.

The real danger comes from the tendency of the disease to continue its course downward until the lungs become affected, and then dreaded consumption is on your path. Your own experience has taught you that the disease cannot be cured by

sprays, inhalers, atomizers, jellies and other local applications.

S. S. S. has proven a most satisfactory remedy for Catarrh because it goes direct to its source, and removes the germs of the disease from the blood. Get a bottle from your druggist today, and begin the only logical treatment that gives real results. COLORED COLUMN (J. W. Cobb)

Good roads mean as much to the colored citizens as they do to our white friends. The tax necessary to provide funds to give Madison good roads amount to very little. Progressive colored citizens all over the county are going to vote in favor of the tax at the election tomorrow, if reports we hear are true. We are helping our race in many ways when we help the good roads proposition. Vote YES tomorrow.

COME ON

Everybody came at the same time last week and our first car of Seed Potatoes, our third car of Seed Oats, our stock of Grass Seeds, etc., went faster than we could haul them. Sorry we had to disappoint some by not being able to deliver when they wanted them, but our new supply is coming in every day and by the time you read this, we will be able to fill your order.

REMEMBER WE GUARANTEE DELIVERY IF YOU BUY.

Pay no attention to what people tell you about our goods unless they have seen them; then be sure and ask 'em all the questions you can think of. A great many of our new customers come with suspicion because they have been told by some who haven't seen themselves, that it can't be done; that the quality is not there or something is wrong. It is pleasing to us, for when they see themselves, it makes a stronger impression. They come in undecided and only half believing. They go out satisfied, enthusiastic and with a big smile.

Friends, it's no trap. It is real, genuine, and best of all, permanent, going right on; not this week and next, but on and on. Here is the secret: We buy in bigger quantities, sell a car load while the ordinary store sells a wagon load; quick turnover and small profit. We both make money when you trade at Welch's. QUALITY is our MIDDLE NAME. Come on. We pay the freight.

THAT NEW FORD CAR.

The Madison Garage, local Ford agency, has, in common with others, received the following announcement: "To All Ford Dealers:

"On account of recent newspaper articles and the many rumors circulating over the country concerning a proposed new car to be manufactured by Mr. Henry Ford, we believe it advisable to inform our dealers generally, in order that you may intelligently and uniformly answer all inquiries. In the first place, a large majority of the reports afloat are greatly distorted and exaggerated. A new car may be manufactured but as to when it will be manufactured we are not in position to say, except that we do know a new car could not possibly be designed, tested out, manufactured and marketed in quantities under two or three years' time."

An attempt was made to rob a freight car at a Mercer distillery loaded with 1,000 cases of whiskey. The thieves had broken the seal on the car, but three strong nails, which the dis-

tillery employees had put in the door, the nightwatchman frightened them prevented them gaining access before away on his rounds.

HERE'S QUICK RELIEF FOR YOUR TIRED, STRAINED MUSCLES

When your muscles become tired and swollen and the joints become stiff, your circulation poor, and your suffering makes you irritable, an application of Sloan's Liniment gives you quick relief—kills pain, starts up a good circulation, relieves congestion. It is easier and cleaner to use than musky plasters or ointments, acts quickly and does not clog the pores. It does not stain the skin.

For sprains, strains, bruises, "black and blue" spots, Sloan's Liniment reduces the pain and eases the soreness.

Certainly fine for rheumatism, stiff neck, sciatica, lame back, toothache.

You don't need to rub—it penetrates. Its use is so universal that you'll consider Sloan's Liniment a friend of the whole family. Generous size bottles at druggists everywhere.

Off Comes Corn In One Piece

"Gets-It" Leaves Toe As Smooth As the Palm of Your Hand.

There's only one corn remedy in the world that peels corns and calluses off like a banana peel, and that's "Gets-It." For walkers and

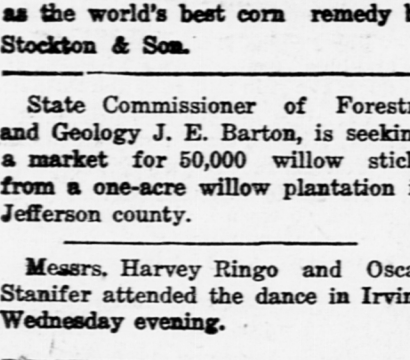

Put 2 drops of "Gets-It" on, and smile! standers, for shoppers and dancers, there's immediate relief from corn pains, and a quick finish for any corn or callus. "Gets-It" is applied in two or three seconds. There's no work, no fussy plasters, no wrapping of toes. "Gets-It" dries in a second or two. That's all. As easy to use as signing your name. The corn loosens from the true flesh and you peel it right off with your fingers while you wonder at the sight and smile. That's why "Gets-It" is the biggest selling corn-remedy in the world today. Be corn-free at last.

"Gets-It," the guaranteed, money-back corn-remover, the only sure way, costs but a trifle at any drug store. Mfg. by R. Lawrence & Co., Chicago, Ill.

Sold in Richmond and recommended as the world's best corn remedy by Stockton & Son.

If a woman is nervous or dizzy spells, suffers from awful pains at regular or irregular intervals she should turn to a tonic made up of herbs, and without alcohol, which makes weak women strong and sick women well. It is Dr. Pierce's Favorite Prescription. Druggists sell it in liquid or tablets. Send 10 cents to the Invalids' Hotel, Buffalo, N. Y., for trial package. Then, for the liver and bowels nothing is so good as Dr. Pierce's Pleasant Pellets. These are little, sugar-coated pills, composed of Mayapple, leaves of aloe, root of jalap—things that Nature grows in the ground.

Jacksonville, Fla.—"I was in a generally run-down condition, being nervous, and suffering from want of sleep was tired out and unable to work. My back was so that I could not stoop down. I was advised by my family doctor, a regular physician, to take Dr. Pierce's Favorite Prescription as he was at a loss to know what to do. In taking the medicine I soon found relief, and I have been glad to recommend it to others with the same complaint. No two ways about it, it's a fine medicine for women."—Mrs. Ida Mintz.

Another Rich Royalty Selling

Stone Norman, who was in Winchester Tuesday, says that Garner & Cheairs, of that city, have secured an option on the 1-64 royalty on the D. B. Pendergrass tract of 900 acres in the Big Sinking section of Lee county for \$90,000. Practically all of this money has been subscribed, and the deal is expected to be closed this week. The acreage in question is in the most productive section of Lee county, and has 25 wells pumping, with a production ranging from 50 to 250 barrels daily, 25 wells completed but not yet connected with the pipe line and 23 more wells drilling. This is one of the largest royalty deals of the Lee county fields.

The Koma Oil Company now has one rig at work on the Flahaven lease recently purchased from Veitch and others, and will move another on to the property at once. This company has also recently acquired 600 acres in Allen county, just northeast of the Johnson pool proper, as well as the 110 acres of the Edmund Ritchie farm in the heart of the Ritchie pool, in the same county. This tract adjoins the Pat Edmunds lease on which there are now five producing wells. At the present time practically all of the production from this territory is being carried by the Indian Refining Company, which has a four-inch pipe line into the Johnson pool.

On the 75 acres of the D. B. Pendergrass tract in Lee county, the W. P. Williams Oil Corporation, Young and Stevenson, will shortly have eight rigs drilling. The Carter Oil Company has made a location for No. 22 on its 65 acres of the D. B. Pendergrass tract, and when this well is completed the entire lease, it is stated, will be drilled up. The Bald Rock Oil Company will soon have 13 rigs at work on the southern 600 acre section of the Pendergrass lease.

THE IDEAL WOMAN

The great Napoleon once said: "My ideal woman is not the beautiful-featured society belle, whose physicians tries in vain to keep her in repair, but the matron who reaches middle age in complete preservation,—that woman is rendered beautiful by perfect health." To attain such health in middle life a woman must guard against those ills which drag her down and produce nervousness, headache, backaches, sleeplessness and "the blues." The standard remedy for such conditions is Lydia E. Pinkham's Vegetable Compound, which for 45 years has been restoring women to health and strength. It

Mitchell, Ind.—"Lydia E. Pinkham's Vegetable Compound helped me so much during the time I was looking forward to the coming of my little one that I am recommending it to other expectant mothers. Before taking it, someday I suffered with neuralgia so badly that I thought I could not live, but after taking three bottles of Lydia E. Pinkham's Vegetable Compound I was entirely relieved of neuralgia, I had gained in strength and was able to get around and do all my housework. My baby when seven months old weighed 19 pounds and I feel better than I have for a long time. I never had any medicine do me so much good."—Mrs. FEARL MONYHAN, Mitchell, Ind.

Good health during maternity is a most important factor to both mother and child, and many letters have been received by the Lydia E. Pinkham Medicine Co., Lynn, Mass., telling of health restored during this trying period by the use of Lydia E. Pinkham's Vegetable Compound.
